6.3.- Criterios de Evaluación

GENERALES:

- Para obtener la nota final aprobada, es necesario alcanzar al menos el 50% de la puntuación máxima en cada una de las técnicas de evaluación.
- Para la cita y referencia de fuentes de información de los trabajos académicos, los alumnos deben seguir las recomendaciones de las normas APA 7^a ed.
- El plagio en los trabajos y los intentos de engaño en los exámenes supondrá para el alumno la pérdida de la convocatoria en curso.
- Errores ortográficos en todas las técnicas de evaluación. En esta asignatura se concretan de la siguiente manera:

Students will take into account general and common evaluation criteria to be applied in other subjects as well:

- Plagiarism in any course task and the attempts to cheat in the final exam will entail a fail mark in the current call.
- A minimum of 5 (50%) out of 10 (100%) must be obtained in order to pass both the course and every assessment technique.
- Those students who do not actively participate in and cooperate with their working group in the completion of the assigned tasks will have to complete them individually and therefore they will be individually assessed too.
- The Communicative Competence (B1) will be crosscurricularly assessed through the different evaluation techniques. Therefore, one of the language skills that is assessed in a course like this is language accuracy and control - what can also be described as "correctness".

Although some errors may not significantly affect the marks from the assessment techniques, systematic repetition of basic mistakes may and will lead to a fail mark in the corresponding assessment technique.

It is strongly recommended that you study the following list and make sure you do not make these mistakes repeatedly:

- 1.- Using modal verbs with a full infinitive, e.g. *You should to tell her the truth.
- 2.- Sentences without a subject (noun or pronoun), e.g. (You) *Shouldn't listen to her.
- 3.- Wrong use of possessives pronouns and determiners. E.g. *She should think about your own future.
- 4.- Wrong use of personal pronouns: him / her / he / she. E.g. *Give it to she.
- 5.- Wrong concordance subject-verb, especially 3rd person singular Present without -s.
- 6.- Wrong use of auxiliaries. E.g. *She don't can speak French.
- 7.- Adjectives after (not before) nouns, e.g. *A house big.
- 8.- Writing *I'm agree instead of "I agree".
- 9.- Making "plural" adjectives, when they are invariable. E.g. *She has differents ideas.

CRITERIOS PARA 2^a CONVOCATORIA

- The students who have not passed the course in the 1st call must resit only the pending assessment techniques for the 2nd call.
- Marks from the assessment techniques already passed in the 1st call will be kept for the 2nd call, but not for subsequent calls/years.
- A minimum of 5 (50%) out of 10 (100%) must be obtained in order to pass both the course and every assessment technique.

ALUMNOS DE SEGUNDAS Y SUCESIVAS MATRÍCULAS

- The students who did not pass the course during the first year must comply with the following assessment plan in subsequent years:

- a) take a written test / final exam on the same date as their classmates. This written test will account for 50% of the final mark.
 - b) submit a project, meeting the guidelines given by the teacher, on the date of the official exam too. The project will account for another 50% of the final mark.
- A minimum of 5 (50%) out of 10 (100%) must be obtained in order to pass both the course and every assessment technique.
